

The Cityline internship is a dynamic and multi-faceted role, focused on the creative production of Cityline, Canada's longest-running lifestyle show. We are located at the 'City / Rogers' building at 33 Dundas Street East (tucked behind Yonge-Dundas Square).

The successful candidate will be working closely with the producers on a daily basis. The tasks can range from research, to assisting with show ideas, to contacting contributors & coordinating product, and assisting with studio sets.

Our ideal intern is an independent worker, who also possesses excellent collaborative skills with a passion for the lifestyle programming.
